

ComicCraft - AI Comic Story Creator using Gemini Models

A Sprint is a fixed period or duration in which a team works to complete a set of tasks.

An Epic is a big task or project that is too large to complete in one sprint. It is broken down into smaller tasks (stories) that can be completed over multiple sprints.

A Story is a small task. It is part of an Epic.

A Story Point is a number that represents how much effort a story takes to complete (usually in the form of Fibonacci series).

1 - Very Easy task

2 - Normal task

3 - Moderate task

5 - Difficult task
